

International Hyperbarics Association

Speaker Submission

To help get started, please follow the guidelines to complete the process.

We are seeking two types of submissions:

1. Educational CME Presentations
 - a. Encompass the use of HBOT to treat patients in the following verticals: Autoimmunity, Environmental Medicine, Hormones, Pediatrics, Peptides, COVID 19 (Long-term effects) and relevant topics.
2. Storytelling
 - a. Inspirational based stories that capture the unique perspective and history of a specific cause, topic or issue and how HBOT played a pivotal role in the story. Start with a great story to tell, including a passion for sharing your knowledge of HBOT clinic ownership, marketing, a personal story and more within the Functional Medicine sphere with others.

- The International Hyperbarics Association is a 501c3 charitable and educational organization dedicated to providing the education, awareness, and accessibility for the hyperbaric community to achieve better health and wellness.
- Our goal is to deliver a positive energy to attendees, speakers, and exhibitors for this years' conference to deliver new knowledge and education while developing a renewed sense of purpose to continue our hyperbaric mission.
- We ask that anyone submitting abstracts understands that the International Hyperbarics Association recognizes both mild and high-pressure hyperbaric treatment as beneficial modalities.

Please fill out the information below and email this completed form as an attachment to slee@ihausa.org with “Speaker Submission” in the Subject line. You are also encouraged to include relevant research information & attachments in the submission email.

FAQ'S

What are the speaker responsibilities?

By submitting the speaker proposal and receiving approval from the IHA, you are authorizing IHA to publish your name, company name, biography and presentation in conference materials, including the show guide and event web site. Accepted speakers will present in-person in a forty-five minute (or longer) session. To ensure that IHA attendees experience relevant and professional presentations speakers are expected to prepare their presentations according to the guidelines and timelines provided. Speakers are also expected to attend other educational sessions during the conference, come to all evening events and be accessible to delegates during the conference. The IHA takes pride that our faculty makes time to participate in the entirety of the conference activities.
